ABOUT US

COMPANY INTRODUCTION

Cooper Group is a comprehensive group company integrating commercial vehicle exportation, maintenance and remanufacturing, engineering machinery research and development, manufacturing and exportation, and spare parts supply.

Founded in 2017, Cooper Group is one of the earliest enterprises in China engaged in the export of used commercial vehicles. It possesses the capability of designing second-hand commercial vehicle modification plans and conducting technical transformations.

The Group subsidiaries include Zhengzhou Cooper Industry Co., Ltd, Zhengzhou Quick Industry Co., Ltd., Zhengzhou Machpro Heavy Machinery Co., Ltd., and Nuofang Enterprise Services Co., Ltd.

It has eight joint venture companies involved in automobile sales, maintenance, and repairs in Beijing, Shanghai, Henan, Shandong, Guangdong, Heilongjiang, Inner Mongolia, and other regions.

Cooper Group focuses on the diverse demands of customers. While exporting used commercial vehicles, we actively expand our business in exporting new commercial vehicles and engaging in technical research and development, production, manufacturing, and exportation of engineering machinery.

Through years of resource integration, the Cooper Group has become a cooperative distributor for well-known enterprises such as SINOTRUK, SHACMAN, Foton, Dongfeng, Yutong, Golden Dragon, CHTC, Zoomlion, Sany, LiuGong, and Caterpillar etc.

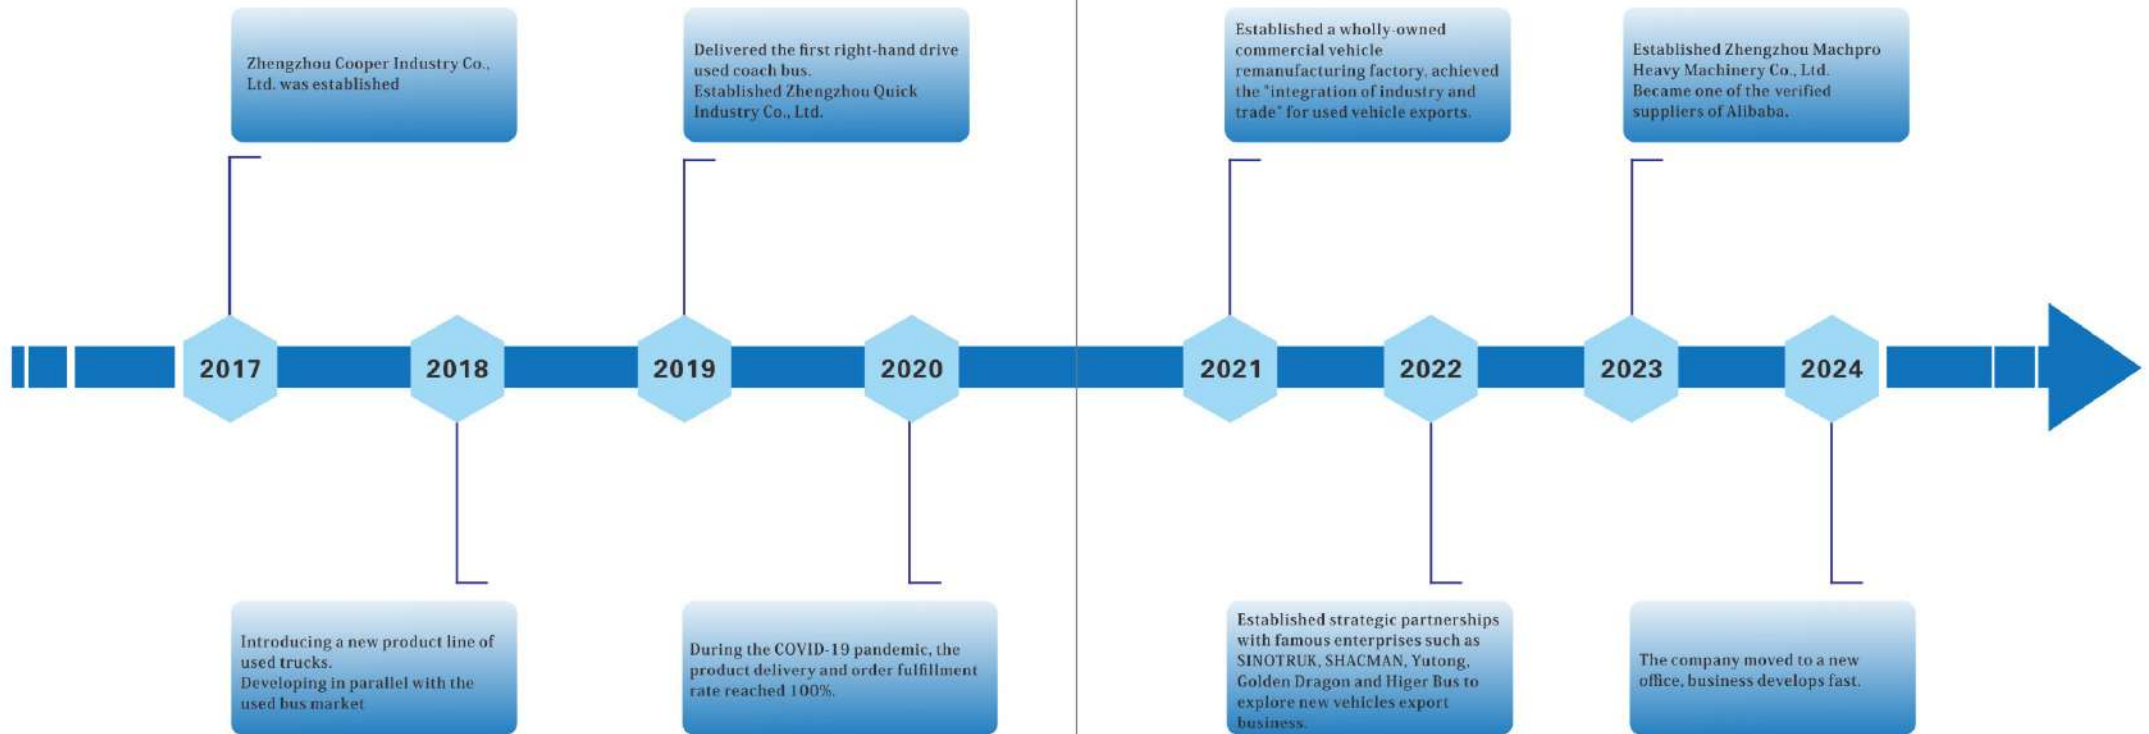

In Henan, Shandong and other provinces, we have established technical R&D and production cooperation relationships with 15 famous engineering machinery manufacturing enterprises. We will provide customers with high-quality, cost-effective engineering machinery products and project solutions.

COMPANY INTRODUCTION

Cooper Group has always upheld the values of "Based on strivers, based on partners, dare to be the pioneer in the world.". As a result, Cooper Goup has become a leader in China's second hand commercial vehicle export industry. It has exported to more than 100 countries and regions, and has established stable market shares and customer bases in over 30 countries. The quality of our products and services has been highly recognized by customers.

In the future, Cooper Group will establish overseas sales and service outlets in major market regions such as Africa and Central and South America. We will strategically position our product promotion and service networks in these areas. In the meantime, we will vigorously promote the development of our own brand and focus on automotive sales and technical services, as well as engineering construction projects. Cooper Group aims to provide customers with reliable, cost-effective, and competitive products and solutions.

GROUP STRUCTURE

COMPANY CULTURE

- 01 COMPANY VISION**
 To Be The Leader Of The Second-hand Vehicle Export Industry.
- 02 COMPANY MISSION**
 Made In China, Sold Worldwide.

 Professional, Integrity, Cooperation, Win-Win.
- 05 SERVICE IDEA**
 Once A Client.
 Always A Friend.
 The Deal Is Just The Beginning.
 There's No End To Service.

PART II MAIN BUSINESS

- ▶ TRUCK
- ▶ BUS
- ▶ CONSTRUCTION MACHINERY

MAIN BUSINESS-TRUCK&BUS

Zhengzhou Cooper Industry Co., Ltd. and Zhengzhou Quick Industry Co., Ltd. are two subsidiaries of Cooper Group, specializing in the wholesale, refurbishment, maintenance, technical transformation, and supply of spare parts for used trucks and buses.

After years of development, the company has established stable supply channels for used trucks and used buses in many places such as Henan, Shandong, Shanghai, Beijing, Shanxi, Gansu, and Inner Mongolia. Additionally, it has jointly built three used trucks and one wholly-owned used bus refurbishment factories in Shandong and Henan. The company possesses comprehensive capabilities in the entire process of used commercial vehicles, including recycling, maintenance, technical transformation, vehicle refurbishment, sales, logistics, and spare parts supply.

In addition to developing the used truck and bus business, the company also established strategic partnerships with famous companies such as SHACMAN, SINOTRUK, FOTON, YUTONG, HIGER, GLDEN DRAGON, KINLONG , etc. This allows them to provide international market customers with new vehicle export services. In recent years, the company has been exporting hundreds commercial vehicles annually, covering more than 100 countries worldwide.

MACHINERY

machpro

Zhengzhou Machpro Heavy Machinery is an engineering machinery company registered and verified in the United States. It is a subsidiary of Cooper Group specialized in engineering machinery technology research and development, manufacturing, sales, and export of used engineering machinery. The company has 15 joint venture production bases in different places such as Henan and Shandong etc. with a total production area exceeding 1 million square meters. It has also established partnerships with well-known engineering machinery suppliers such as Sany, LiuGong, Zoomlion, and Caterpillar etc.

The product range covers 10 major categories, including excavators, loaders, aerial work platforms, material handling machinery, road construction machinery, concrete machinery, construction machinery, small transport machinery, and mechanical tools, offering over 40 types of engineering and construction machinery products. As a cost-effective manufacturer of engineering and construction machinery, we provide comprehensive services to our customers, including one-stop procurement of engineering machinery and integrated solutions.

CONSTRUCTION MACHINERY

Excavator
Operation Weight: 0.8 – 116 Tons

Loader
Rated Load: 0.8 – 10 Tons

Road Roller
Operation Weight: 0.8 – 40 Tons

Bulldozer
Operation Weight: 17 – 36 Tons
Rated Power: 140 – 280 kW

Grader
Rated Power: 81 – 200 kW (110 – 270 Hp)
Operation Weight: 7500 – 21000 kg

Backhoe Loader
Operation Weight: 3 – 10 Tons

Auto crane
Max Lifting Weight: 25–200 Tons

Truck-mounted Crane
Max Lifting Weight: 3–16 Tons

Concrete Pump Truck
Height: 31–70m

Concrete Mixer Truck
Capacity: 1.5–16m³

Concrete Pump
Max Theoretical Through
Output: 5–90 m³ / Hour

Telehandler
Max Lifting Height: 7–18m

Forklift
Rated Load: 1–10 Tons
Type: Diesel / Electric

Off-Road Forklift
Rated Load: 3–10 Tons

CONSTRUCTION MACHINERY

Asphalt Mixing Plant
Capacity: 40-400TPH
Type: Batch / Continuous

Concrete Mixing Plant
Capacity: 25-240m³/H
Type: Stationary / Mobile
